Vision for Nature

Young people's vision
for the natural world in 2050

@MeganShersby @AFONature

Young People & Biological Recording

1 - can we even be bothered?

@MeganShersby @AFONature

Young People & Biological Recording

2 – what do we record?

@MeganShersby @AFONature

Young People & Biological Recording 3 – how do we record?

Young People & Biological Recording

4 – how & where do we submit?

@MeganShersby @AFONature

Young People & Biological Recording

5 – what holds us back?

@MeganShersby @AFONature

Young People & Biological Recording

6 – what does the future hold?

@MeganShersby @AFONature

Young People & Biological Recording

Any questions?
