

The Wildlife Information Centre
Spring Conference

Tools & Technologies to Assist Biological Recording

Saturday 30th April 2016

10am – 4pm, MacArts Centre, GALASHIELS, TD1 1SP

FREE ENTRY and buffet lunch
BOOKING ESSENTIAL

For a programme and booking information visit www.wildlifeinformation.co.uk
or telephone 01875 825968

From iSpot and online recording to sensor technologies, the conference will showcase a variety of tools and resources and provide opportunities to find out about wildlife recording initiatives across the region. **Join us! Everyone welcome**

An event for wildlife
enthusiasts, conservation
professionals and anyone
interested in wildlife
conservation and
recording
