

Holdings Overview

You have **57,107** records stored on the NBN Gateway. You are ranked **#93** out of **166** data providers for the **number of records** supplied.

The median holding size is 85,259 records

Visibility & Resolution

You have **56,755** visible records on the NBN Gateway. You are ranked **#87** out of **166** data providers for the **number of visible records**.

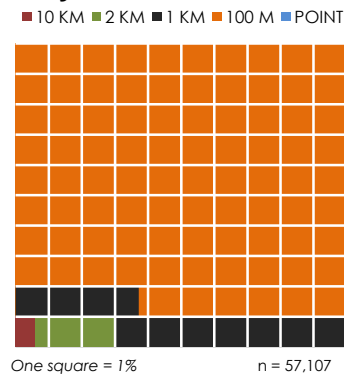

The median visible holdings size is 60,632 records

This is **99.4 %** of your records stored on the NBN Gateway. You are ranked **#123** out of **166** data providers for the **proportion of visible records***.

The overall proportion of all records stored on the NBN Gateway that are visible is 70.8%.

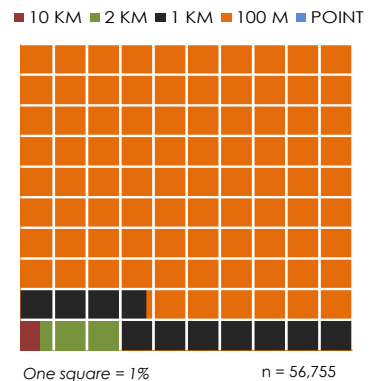

**The median percentage of records made visible by data provider is 100%. 97 data providers have made 100% of their datasets visible.*

Access & Usage

for 2015

In 2015/2016, your data was downloaded **1,083** times from the NBN Gateway. In 2015/2016, you received **30** requests for **enhanced access** to your records.

comprising **1,671,726** records.

The 2015 median for enhanced access requests is 30.5

The 2015/2016 median for dataset downloads is 446.5

The 2015/2016 median for records downloaded is 760,312

The overall response rate on the NBN Gateway is 65.7 %

Holdings Overview

There are **126,016,48** records stored on the NBN Gateway
 provided by **166** groups and organisations.

The median holding size is **85,259** records
 The largest holding size is **29,292,387** records
 The smallest holding size is **13** records

Visibility & Resolution

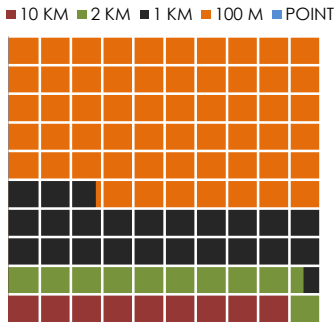

There are **89,198,174** visible records on the NBN Gateway
 This is **64.9 %** of all records stored on the NBN Gateway

The median for visible holding size is **60,632** records
 The largest visible holding size is **14,520,178** records
 The smallest visible holding size is **0** records (five data providers)

On average, data providers make **91.3%** of their holdings visible (the average proportion). The median proportion of a dataset that is visible is **100%**, i.e. at least half of the data providers have made their datasets 100% visible.

98 data providers have made 100% of their records on the NBN Gateway visible.
