

17th National Biodiversity Network Conference
Thursday 16th & Friday 17th November 2017, National Museum Cardiff

"Data – What is it good for?"

Thursday 16th November

09:30 Registration and coffee

Morning session: NBN progress and partnership

Chair of morning session: Jen Ashworth, NBN Trustee

10.00 Welcome and introduction by NBN Trust Chairman, *Professor Michael Hassell*

10.05 Keynote address – "Why I joined the Twitterati - Making entomology and natural history visible using social media" - Professor Simon Leather, Harper Adams University

10.35 "Through partnership, a lot *can* be achieved in 12 months!" – Jo Judge, NBN Chief Executive

10.55 "The SBIF Review: reimagining our data infrastructure" – Ellen Wilson, Chair of the Scottish Biodiversity Information Forum

11.15 Tea / coffee break

11.45 "A bold step: building on the past to meet new approaches in Wales" - Helen Wilkinson, Manager, Knowledge and Information Management and Barnaby Letheren, Specialist Adviser, Enterprise Data Management, Natural Resources Wales

12.05 "LERC Wales: Delivering an Evidence Base Fit for Wales" – Adam Rowe, Manager, South East Wales Biodiversity Records Centre Limited (SEWBRc)

12.25 "Verification - next steps and an opportunity to feedback to the partnership" – Jo Judge, NBN Chief Executive

12.35 Q&A

12.45 Lunch, posters, displays and demonstrations

NBN Conference sponsored by:

17th National Biodiversity Network Conference

Thursday 16th & Friday 17th November 2017, National Museum Cardiff

“Data – What is it good for?”

Thursday 16th November

Afternoon session: How is the NBN Atlas supporting your data needs?

Chair of afternoon session: Andrew Wood, NBN Trustee and Treasurer

14.00 Discussion workshops

Five parallel sessions. At the end of each workshop a set of clearly defined actions will be made, with responsibility for taking the actions forward determined and agreed by the group.

1. How can the NBN Atlas work better for marine data?

Workshop lead – Paula Lightfoot

2. An Atlas for all – is the NBN Atlas supporting different uses and different users?

Workshop lead – Tom Webb

3. How can the NBN Atlas better support the NBN Data Flow Pathway?

Workshop lead – Barnaby Letheren

4. The NBN Atlas – a demonstration and future development discussion

Workshop leads – Holly York and Jo Judge

5. What are the barriers to sharing data on the NBN Atlas and how can we overcome them?

Workshop lead – Ben Deed

15.45 – 16:15 Coffee / tea break

16:15 – 16:45 Workshop feedback to the auditorium – what are the next actions?

16:45 – 17:00 Q&A

17:00 – 17:05 Chairman’s summing up of day 1

17:15 – 17:45 NBN AGM

18:00 – 19:15 UK Awards for Biological Recording & Information Sharing

Sponsored by:

17th National Biodiversity Network Conference

Thursday 16th & Friday 17th November 2017, National Museum Cardiff

"Data – What is it good for?"

Friday 17th November

09:00 Registration and coffee

Morning session: Data, data everywhere – sharing and using data across the NBN

Chair of morning session: Jo Judge, NBN Chief Executive

09:25 Welcome and introduction by NBN Trust Chairman, *Professor Michael Hassell*

09:30 Keynote address – "Assessing the state of nature: past, present and future" - Dr Mark Eaton, Principal Conservation Scientist, RSPB Centre for Conservation Science –

10:00 "Let's Talk about Data" - Matt Postles, Senior Programmes Manager, Bristol Natural History Consortium

10.20 "Recorder 6 and all that" – Steve Whitbread, ALERC Director

10.40 "Collection, Collaboration, Collation & Circulation of plant records in West Glamorgan" – Barry Stewart, Bryophyte Recorder for Glamorgan & Plant Recorder for West Glamorgan

10.50 "The Wet Bit Around the Edge: Are Marine Data Different?" - Dan Lear, Head of Data, Information & Technology, Marine Biological Association

11:00 Tea / coffee break

11.30 "Data Sharing – The Earthworm Perspective" - Keiron Derek Brown, Recording Officer, Earthworm Society of Britain

11.40 "Summary of questionnaire: What do ecological consultants want from GCER?" - Linda Moore, Development Manager, Gloucestershire Centre for Environmental Records

11.50 "NBN Atlas: A Consultancy Perspective" - Dr Rachel Roberts, Associate Ecologist, The Environment Partnership (TEP)

12.00 Student speed talk: "How a student-led society can inspire a community's perception on biodiversity" - Anna Moulin, University of Exeter

12.05 Student speed talk: "Identification Trainers for the Future – a trainee's perspective" – Steph Skipp, ID Trainer for the Future

12.10 "Bridging the skills gap in UK species identification – lessons learnt and next steps" - Stephanie West, UK Biodiversity Training Manager & John Tweddle, Head of Centre, Angela Marmont Centre for UK Biodiversity, Natural History Museum

12.30 Q&A

12.35 Lunch, posters, displays and demonstrations

17th National Biodiversity Network Conference

Thursday 16th & Friday 17th November 2017, National Museum Cardiff

"Data – What is it good for?"

Friday 17th November

Afternoon session: Looking forward – opportunities for data and the NBN

Chair of afternoon session: Professor Michael Hassell, NBN Trust Chairman

- 13:45 Award of NBN Honorary Membership
- 13.50 The Sir John Burnett Memorial Lecture, 2017 – "Data – what is it good for? Insights from network ecology" Professor Yvonne Buckley, Chair of Zoology, School of Natural Sciences, Trinity College Dublin
- 14.20 "How to find Treasure" - Maria Longley, Community Manager, Greenspace Information for Greater London
- 14.40 "NBN as a global player enabling biodiversity research through GBIF" - Tim Hirsch, Deputy Director, Global Biodiversity Information Facility (GBIF) Secretariat

15.00 Tea / coffee break

- 15.30 Student Speed talk: "Project Splatter: Using Citizen Scientists to Monitor Wildlife Roadkill" – Amy Schwartz, PhD Student – Cardiff University
- 15.35 Student Speed talk: "Climate change and checklists – monitoring natural colonists through biological recording" - Jamie Cranston, NERC iCASE PhD Student, University of Exeter
- 15:40 "Looking forward – mammal data and its potential at a national and international scale" - Dr Graham Smith, Lead Scientist and Head of Wildlife Epidemiology and Modelling, Animal and Plant Health Agency, Defra
- 16.00 "FSC BioLinks – 5 more years of caring and sharing THANK YOU HLF!" - Sue Townsend, FSC Biodiversity Learning Manager, Field Studies Council
- 16.20 Q&A
- 16.25 Chairman's summing up.
- 16.30 End of conference
