

Scottish Biodiversity Information Forum
Sector discussions: data collection, management & sharing
Friday 18th May 2012

In preparation for the SBIF workshop (25th May 2012) there will be sector discussions on Friday 18th May 2012. In the morning BRISC www.brisc.org.uk will host discussions on data collection, with ALERC www.alerc.org.uk chairing a session on data management & sharing in the afternoon. The purpose of these discussions is to determine project proposals to be presented at the SBIF workshop, for partners to deliver.

The programme for the day is:

- 10am: Welcome, tea & coffee
- 10.30am: Data collection discussion chaired by Jonathan Willet, BRISC chair
- 1pm: Lunch
- 2pm: Data management/sharing discussion chaired by Alexa Tweddle, ALERC Director & Tom Hunt, ALERC National Coordinator
- 4.30pm: close

The venue for the day is the Smith Art Gallery and Museum in Stirling:

Dumbarton Road
Stirling
FK8 2RQ
Tel 01786 471 917

www.smithartgallery.demon.co.uk

Please see the gallery website for information on directions and parking.

If you are interested in attending either or both sessions please email secretary@brisc.org.uk by **Monday 14th May**.
