

20 AUG 1985

Dear

I am writing to you to let you know about the Biolink '85 Conference to be held at Perth Museum on Saturday 21 September 1985 and to invite your branch to send one or more delegates.

This Conference is aimed at all those interested and involved in Biological Recording to provide an opportunity to exchange ideas and views and to discuss the future development of recording in Scotland over the next decade.

In addition to the "formal" lectures it is intended to stage a wide range of displays and demonstrations covering the whole spectrum of data-handling technology - computers, card indexes, etc, etc.

Conference Programme
