

Holdings Overview

You had **2,573,320** records stored on the NBN Gateway. You were ranked **#9** out of **178** data providers for the **number of records** supplied.

The median holding size was 85,259 records

Visibility & Resolution

You had **2,573,320** visible records on the NBN Gateway. You were ranked **#7** out of **178** data providers for the **number of visible records**.

The median visible holdings size was 68,824 records

This was **100 %** of your records stored on the NBN Gateway. You were ranked **#1** out of **178** data providers for the **proportion of visible records***.

Equal

**The median percentage of records made visible by data providers was 100%.*

111 data providers made 100% of their datasets visible.

Access & Usage

for 2016-17

In 2016/2017, your data was downloaded **1,928** times from the NBN Gateway. In 2016/2017, you received **63** requests for **enhanced access** to your records.

comprising of **64,090,332** records.

The 2016/2017 median for dataset downloads was 397.5

The 2016/2017 median for records downloaded was 469,631

You responded:

**after follow up with requester*

Your response rate was **100 %**

The overall response rate on the NBN Gateway was 73.8 %

Holdings Overview

There were **133,024,631**

records stored on the NBN Gateway

The median holding size was **85,259** records

provided by **178**

groups and organisations.

The largest holding size was **32,754,445** records

The smallest holding size was **8** records

Visibility & Resolution

There were **95,339,185**

visible records on the NBN Gateway

The median for visible holding size was **68,824** records

This was **71.7%**

of all records stored on the NBN Gateway

The largest visible holding size was **14,520,218** records

The smallest visible holding size was **0** records (**five** data providers)

On average, data providers make **91.2%** of their holdings visible (the average proportion). The median proportion of a dataset that is visible is **100%**, i.e. at least half of the data providers have made their datasets 100% visible.

111 data providers made 100% of their records on the NBN Gateway visible.
