

Marine Biology of the NE Atlantic Porcupine Annual Conference

**National Museum of Scotland
March 17th-18th 2018**

Saturday 17 March 2018

08:45 Registration & coffee
09:45 Welcome and housekeeping

Session 1

09:55 **Scottish Seagrasses - Beyond the Forth Dimension**
Alastair Lyndon, Heriot-Watt University
10:20 **Seasonal and Inter-annual fluctuation of microplastic in intertidal sediments from the Firth of Forth**
Mark Hartl, Heriot-Watt University
10:45 Refreshments break

Session 2

11:15 **Marine Conservation Society in Scotland: current projects and opportunities to get involved**
Tara Proud, Marine Conservation Society
11:45 **Community-led Marine Conservation**
COAST
12:05 **Missing native oyster (*Ostrea edulis* L.) beds**
Bill Sanderson, Heriot-Watt University
12:30 Delegates photo
12:40 Lunch

Session 3

13:40 **Ecology of decommissioning**
David Paterson, Scottish Oceans Institute, University of St Andrews
14:05 **Offshore Energy Strategic Environmental Assessment - Benthic Studies and Monitoring**
John Hartley, Hartley Anderson Ltd.
14:30 **20 years of recording North Sea benthos**
Paul Kingston, Kingston-Ambrose Ltd.
14:55 Refreshments break

Session 4

15:25 **The effects of Offshore Renewable Energy Devices (OREDs) on the commercially important brown crab**
Kevin Scott, St Abbs Marine Station
15:45 **The Scottish Coastal Observatory**
Pablo León, Marine Scotland Science
16:10 **Biological Recording at Millport Field Station - Past, Present and Future**
Phillip Cowey, Field Studies Council
16:35 **Shetland beneath the waves**
Richard Shucksmith
17:00 Close of day 1

Conference dinner [Vittoria on the Bridge]

Sunday 18 March 2018

09:15 Registration & coffee

Session 5

09:45 ***The serpulid reefs of Loch Creran***

Dan Harries, Heriot-Watt University

10:10 ***An expedition to the sea caves of St Kilda and North Rona***

Lisa Kamphausen, Scottish Natural Heritage

10:35 Refreshments break

Session 6

11:05 ***Scottish saline lagoons and climate change – not as simple as it looks***

Stewart Angus, Scottish Natural Heritage

11:30 ***Historical changes in Edinburgh's rocky intertidal macroalgae***

Aroa Sampedro-Fernandez, TCV/RBGE/SAMS

11:45 ***Porcupines in the Field – Northumberland and other recent surveys***

Frances Dipper, PMNHS

12:10 ***PMNHS AGM***

12:40 Lunch

Session 7

13:40 ***Observations session***

14:25 ***New insights into the lives of British shovel head worms (Annelida: Magelonidae)***

Kate Mortimer-Jones, National Museum Cardiff
