

NBN Conference Sponsorship 13 and 14 November 2019 Venue – Albert Hall, Nottingham

The [National Biodiversity Network](#) (NBN) is the largest partnership for nature in the UK. We champion the sharing of wildlife data to help protect the UK's precious and amazing wildlife. Each year the NBN's national conference brings together the wildlife recording community from across the British Isles including the major conservation charities, government agencies, academics and the commercial sector. Delegates include Chief Executives, decision makers and influencers.

The NBN Conference is also an opportunity to reward the unsung heroes of wildlife recording. The NBN Awards recognises those extremely dedicated individuals who work to record our wildlife. [Find out more about the NBN Awards](#) on our website.
