Dragonflies and Damselflies

FSC Preston Montford Saturday 29th June 2019 10.30am - 4pm

Tutor: Sara Lanyon

Join Sara on a walk around Preston Montford to learn how to easily identify common dragonflies and damselflies. Find out how to encourage these colourful insects into your own back garden, go pond dipping for larvae and learn more about dragonflies' fascinating lifecycles and ecology.

Free event for ages 15-25 years. Please bring lunch.

Book now email gc@field-studies-council.org or call 01743 852040

Transport available from Shrewsbury to Preston Montford
