# Wildlife Watching Weekend

**FSC Preston Montford, Shrewsbury, SY4 1DX**

**Friday 26th — Sunday 28th July 2019**

Discover the wildlife that lives in and around the FSC Preston Montford estate and learn top tips for wildlife watching. During the weekend we'll be looking for bats, small mammals, badgers, moths, butterflies and other fascinating invertebrates, and we'll find out about the flowers, trees and other plants that grow here too.

The weekend will give you loads of experience to add to your CV and help you stand out from the crowd and also the chance to meet likeminded people and have fun!

**£45** Suitable for ages 16-25
