

THE NBN TRUST

THE BACKBONE OF
UK BIODIVERSITY DATA

Atlas / BBD

iNaturalistUK

Network

Funders

Recorders

What gets measured gets done

1 billion record downloads

299,925,343 shared records

23,911 active Atlas users **+25%** year on year

2000 new species added to iNaturalistUK

343 peer-reviewed publications using NBN Atlas data

134m records shared to GBIF

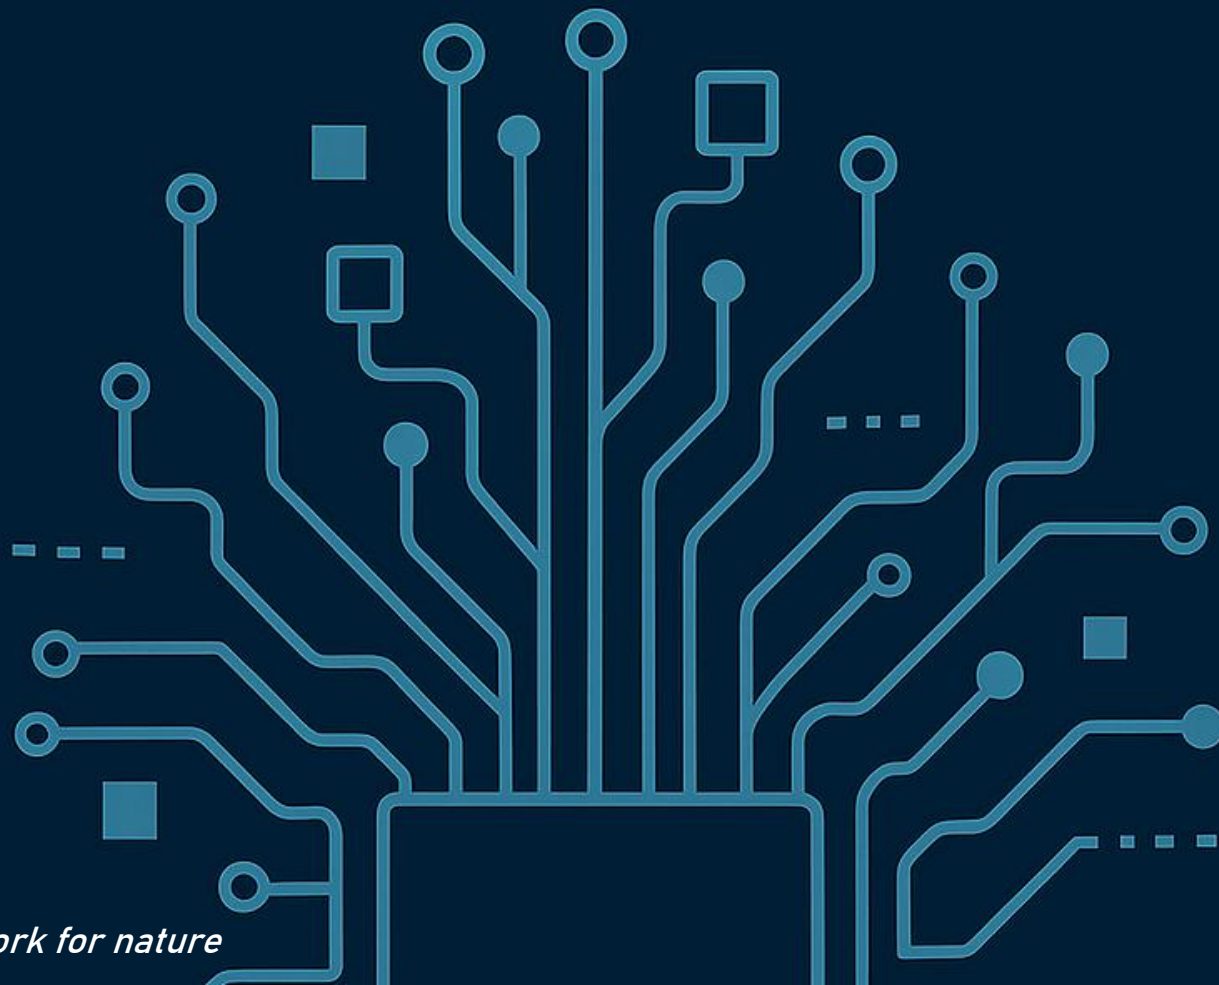

An initial reflection...

A network delivering far beyond its size

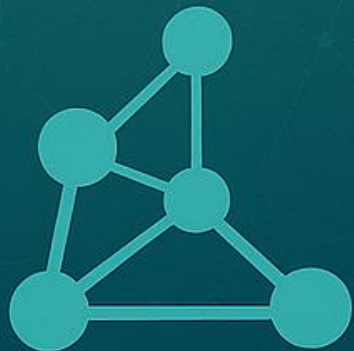

Demand growing faster than capacity

A clear need for stability and direction

FROM PLATFORM TO INFRASTRUCTURE

WHAT THE NEXT CHAPTER NEEDS

Infrastructure

**Insight and
influence**

**Predictable
funding**

NBN 2.0
